Introduction to Moss Bank Food Hub?

Lancashire,
Manchester &
N Merseyside

- Location of Project
- Identifying a Need for the Project
- Three big aims:
 - Develop interactive food growing trail
 - Provide access to fresh produce for members of the local community
 - Increase local skills via training and volunteering opportunities
 - On site education sessions for schools

Volunteering

Lancashire,
Manchester &
N Merseyside

- Four volunteer placements with £700 worth of training investment per volunteer placement
- Weekly volunteering opportunities which will include skills in retail, marketing, food growing, site management.

School visits

Lancashire,
Manchester &
N Merseyside

- Food growing education sessions linked with the National curriculum
- Healthy eating/exercise sessions
- Five a day challenge linked with produce grown on site

Taking the Project forward & achieving Outcomes

Lancashire,
Manchester &
N Merseyside

- Outcome will be achieved by effective community development
- Establishment of partnerships via organisations and community groups
- Financial sustainability via on site sales, and external funding
